10th anniversary testimonial

A TOAST TO DR. RYAN

ON HIS 10TH ANNIVERSARY AT FOREST HILLS

Here's a toast to the skipper, gallant captain of our ship,

At the helm these many years, directing every trip.

Here's a cheer to our leader, with hair snowy-white,

In his hands the rudder, he steers firm and right.

Though the sea be tempest-tossed, he does not lose his way,

In calm and storm, he bids: Push on! to new success each day.

Our course is true, our course is straight, we buffet every wave,

For leading the good ship FOREST HILLS is a captain keen and brave.

The symbol of the ship that we trust and love so well,

For him we sing a paean of praise, for him we ring the bell.

Raise high the toast to our skipper, a guide through thick and thin,

To whom we all owe thanks when our ship comes proudly in.

mr. jack barnett

In the world of educators, professors, teachers, only a few
are truly outstanding.
Here at Forest Hills you were one of those few.
We will always remember you for the music that blazed in your
soul.
When we hear your name, we think of Christmas programs,
concerts, the beauty of melody;
We think of the time you gave up to make us appreciate these
things.
We recall learning the things that you so eagerly taught
us,
And which in time we became eager to learn.
We remember words, phrases; "soprano", "Debussy", "three-
quarter time".
We still see you when we enter the music room, and realization
that you are not in front of the room always
shocks us.
We still see you walking through the halls, and we are aghast
to realize that it is just your memory we see.
During assembly programs we watch for you, then suddenly
realize you will not be there.
You have become part of us.
You are part of Forest Hills, from the auditorium to the
tower.
Others may take your place as our educators;
They may teach us sharps from flats;
But none will ever take your place as a person, our friend,
To teach us the music of life itself.
You may be gone from us in body,
But in spirit, we will never forget you, our Mr. Barnett.

our guide and stay,
she'll be for aye . . .
her pow'r will long sustain us.

English Department

Starting back at English 3
Rising up to English 8
We've conquered famous heroes
And books have been our bait.
Odysseus and his splendid Greeks,
Rome, and all the Caesars.
Silas Marner and Macbeth
Both proved to be real teasers.
We know these stories front
and back
And what is just as well,
We learned punctuation
And now know how to spell.

SOCIAL STUDIES—*Left to Right, Row 1:* Dr. Frederick Graa, Mr. Gerald Larkin, Mr. Martin Drach. *Row 2:* Mr. Edmond Runge, Mr. Sidney Mathis, Mr. Alfred Carter, Mr. John Heine, *Chairman. Standing:* Dr. David Brown, Mrs. Miriam Sutterlin, Mr. James Warren, Mr. Henry Wepner, Miss Catherine Campbell, Dr. Jack W. Entin, Mr. Charles Smukler. *Absent:* Mrs. Esther de Farkas, Miss Rita Hoar.

Social Studies Department

Our little cavemen ancestors
Lived very happily,
No cramming for those stiff
exams,
There was no history.
And now we're caught in the
middle of
Discoveries, wars, inventions,
Stocks and bonds, heroic men,
Political conventions.
Now put away your handkerchiefs
For this you must allow,
Just think of what they'll have
to know
5,000 years from now.

Mathematics Department

The easy path
Is not the path to math.
So we did early find.
If we study we can distinguish
between sine and tan
Though it requires great skill
of mind.
Escape we will try
But we know x and y
Will never be far behind.

MATHEMATICS—*Left to Right, Row 1:* Miss Ernestine Fimpel, Mr. David Frank, *Chairman;* Mr. Ward Harrigan. *Row 2:* Mr. Philip Fisher, Mrs. Ruth Lefkowitz, Mr. Charles Snizek. *Row 3:* Miss Rosemary Tighe, Mrs. Alice Vaughan, Mr. Meyer T. Wiston. *Standing:* Mr. Selig Bernstein, Mrs. Elsie Dineen, Mr. Walter Hethy, Mr. Bernard Plotkin. *Absent:* Mr. Benton R. Leeds.

Science, Home Economics, Shop

Why oh why oh
Did we have to take Bio?
And Physics and Chem. after that.
Though we faced with defiance
General Science,
Look what came after that.
Shop work and home ec.
Made us very tech.
That's not talking out of our hat.

SCIENCE, HOME ECONOMICS, SHOP—*Left to Right, Row 1:* Mr. Morris Wigler, Mr. Vito Consoli, Mr. Joseph Green, Mr. Charles Katz, Mr. Raymond Fish. *Row 2:* Mrs. Elizabeth Huebener, Mr. Harold Swahn, Mr. George Schwartz, Mr. Perry Cohen, Miss Enid Fern. *Row 3:* Mr. Domenic Potenza, Mr. Arthur Lazarus, Mrs. Nancy Feingold, Mrs. Bessie Lumnitz, Mr. Harvey Pollack. *Standing:* Mr. Saul Geffner, *Chairman;* Mr. Maury Buxbaum.

Language Department

In a city so metropolitan
One must be cosmopolitan.
We're glad to be banished
To three years of Spanish.
Any foreign full tour
Must include German Kultur.
French, Hebrew, Latin are all
"alive languages,"
Now we know how to sneeze in five
languages.

FOREIGN LANGUAGES—*Left to Right, Row 1:* Mrs. Priscilla Keyes, Mrs. Elsie Syrop, Mr. Nazzareno Palleri, Miss Antoinette Giusto. *Row 2:* Mr. Eli Blume, *Chairman;* Mrs. Anne Nagourney, Mrs. Alice Weiss, Stud. Tchr.; Mrs. Nettie Greenfield. *Row 3:* Mr. Sol Pred, Mr. Victor Ritchie, Mr. Charles Freundlich, Mr. Theodore Rose. *Absent:* Mr. Anthony Favalli, Mr. Samuel Grotas, Mr. Irving Heller, Mr. Frederick Hurley, Mr. Abraham Krant, Mr. Alex Swirsky.

BUSINESS SUBJECTS—*Left to Right, Seated:* Mrs. Helen Runge, Mrs. Catherine Burns, Miss Geraldine McMahon, Mrs. Helen Wieting, Miss Ruth Schottland, Miss Lucy Bartholomew. *Standing:* Mr. Edward Kovel, Mr. Paul Haber, Mr. Joseph Roemer, Mr. Benjamin Bickerman, Mr. Samuel Klein, Mrs. Helen McCanna, Mr. Albert Morrison, *Chairman.*

Business Subjects

Tapping typewriter,
Scratching pen,
Comes from girls
Transcribing sten.
Business practice
Accounting too,
Will make a steno
Out of you!

ART—*Left to Right:* Mr. Walter Bossard, Mr. Edward Sussman, Mrs. Mary Tuzza, *Chairman;* Mrs. Elsie Johanson, Dr. Jack Entin.

Art

The talented ones cried
"Art for art's sake!"
We weren't so talented.
We thought our brushes would break.
But we learned about the great masters
And took them all to heart,
And what we once called unbelievable,
We now call modern art.

MUSIC—*Left to Right:* Mrs. Pearl R. Guzik, Mr. Max Pollack, Mr. Milton Fink, Mr. Carleton Inniss.

Music

In a much varied whole
Some prefer rock and roll.
There are others who must choose
Between jazz and blues.
Some like a hymn or a show tune
Some like classics like "Clair de Lune."
The music department we wouldn't be without
It taught us what music's all about.

HEALTH EDUCATION (Boys)—*Left to Right:* Raymond Doyle, Chester Gusick, Nicholas Spata, Edward Conlan, Victor Maré.

Boys Physical Education

You walk in the gym
And when you see him
You know he's got one of his surprises.
The teenager's torment
That leaves you physically spent
Those period long exercises.
You throw your arms in the air
So long that you don't know where
Your arms have gone to.
However one night
You discover to your delight
Muscles you somehow latched on to.

Speech Department

When quoting prose or poetry
From famous books or plays,
The Speech Department helps us
Right through our high school days.

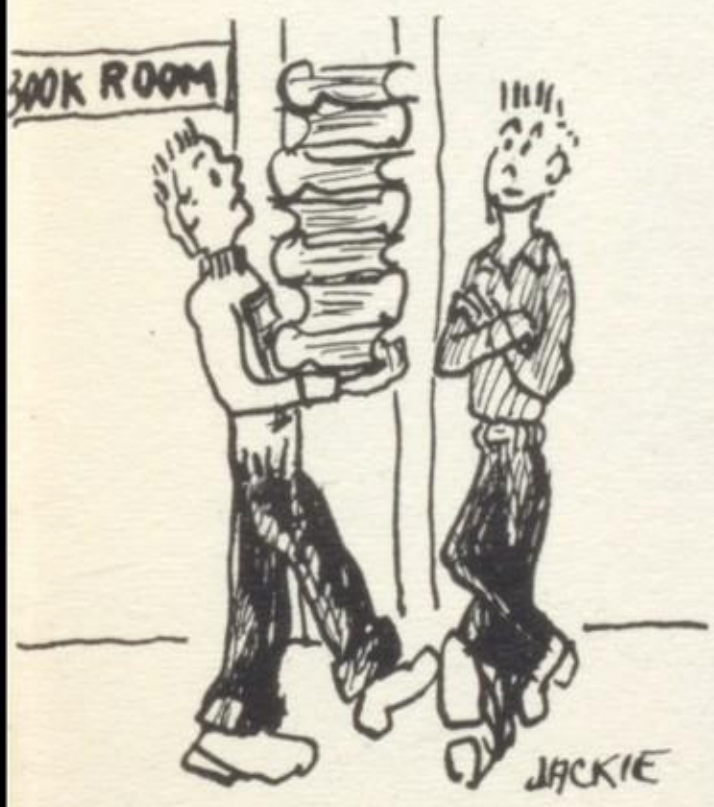
Our teachers say emphatically,
"Pronounce your R's and S's!"
But actually we never do,
Each one of us confesses.

SPEECH—*Left to Right:* Mr. William Kerr, Mr. Frank Bartlett, Mrs. Millicent Schuker, Mr. Martin Salkin, *Chairman;* Miss Anne Schrage, Miss Patricia Mahoney.

Girls Physical Education

Running around in funny blue suits,
We look more like Olympic recruits.
It is a must to exercise
To slowly whittle down to size.
Over the net the volleyball goes,
We play this game, we're on our toes.
But then we find the highest score
Is held by muscles, good and sore.

HEALTH EDUCATION (Girls)—*Left to Right, Seated:* Miss Angelina Carbone, Miss Mary Coghlan, *Chairman;* Mrs. Marcia Heyman. *Standing:* Mrs. Mario Holohan, Miss Catherine Creighton, Miss Margaret Doyle, Mrs. Florence Meade, Miss Virginia Dwyer.



P.M. SESSION—*Left to Right, Standing:* Mr. Abraham Krant, Lang., Mr. Walter Bossard, Art; Mr. Jon Million, H. Ed.; Mr. Meyer Wiston, Math.; Mr. Gerald Pannell, H. Ed.; Mr. Frederick Hurley, Lang.; Mr. Carleton Inniss, Music; Mr. Leon Meade, *In Charge;* Mr. Ward Harrigan, Math.; Mr. Buxbaum, Mr. Jerome Harmon, Sci. *Seated:* Mrs. S. Burns, Miss Lucy DeVivo, Sci.; Miss Rose Englehardt, Eng.; Mrs. Caroline Oes, Eng.; Miss Lucy Bartholomew, Bus.; Miss Doyle, H. Ed. *Front:* Miss Virginia Dwyer, H. Ed.; Miss Angelina Carbone, H. PASSING THROUGH

Before me rises a temple
from Grecian column to tower
a temple to Pallas, goddess of knowledge
dedicated to men sana in corpore sano
a shrine worshipped willy-nilly by the young
its priests the Fraternity of Teachers.
Before me rises a mansion
not a house of Wisdom not a home of the Abstract
but a house of students live active real
a microcosm of life within its brick confines
thirty-nine hundred budding humans
scene of joy of hope of misery of disappointment
here in human history encompassed by plaster
freshman is born grows to sophomaric adolescence
lives the mature junior metamorphoses to wise senior-philosopher
passes on to . . . ?
Before me rises the petty the insignificant
history test today math test tomorrow
then week-end holiday
all passes on no mark left on the blackboard

but here a paper, English composition
there a plaque, Westinghouse award
there a form, permanent record
but chalk is used on the marked slate
never recovered.
Before me rises a shadow-dance
emotion-shadows wavering
extinguished by the knowledge-light . . .
there flickers a teacher black hate-shadow
hate banked and dimmed by experience
he tried with me . . .
there a warm love-shadow dances
shadow of a girl a junior
how quickly passionate emotion died!
Before me rises a memory
dances concerts classes meetings lost loves
my own ineradicable thoughts
private indestructible . . .
Before me rises Forest Hills High!

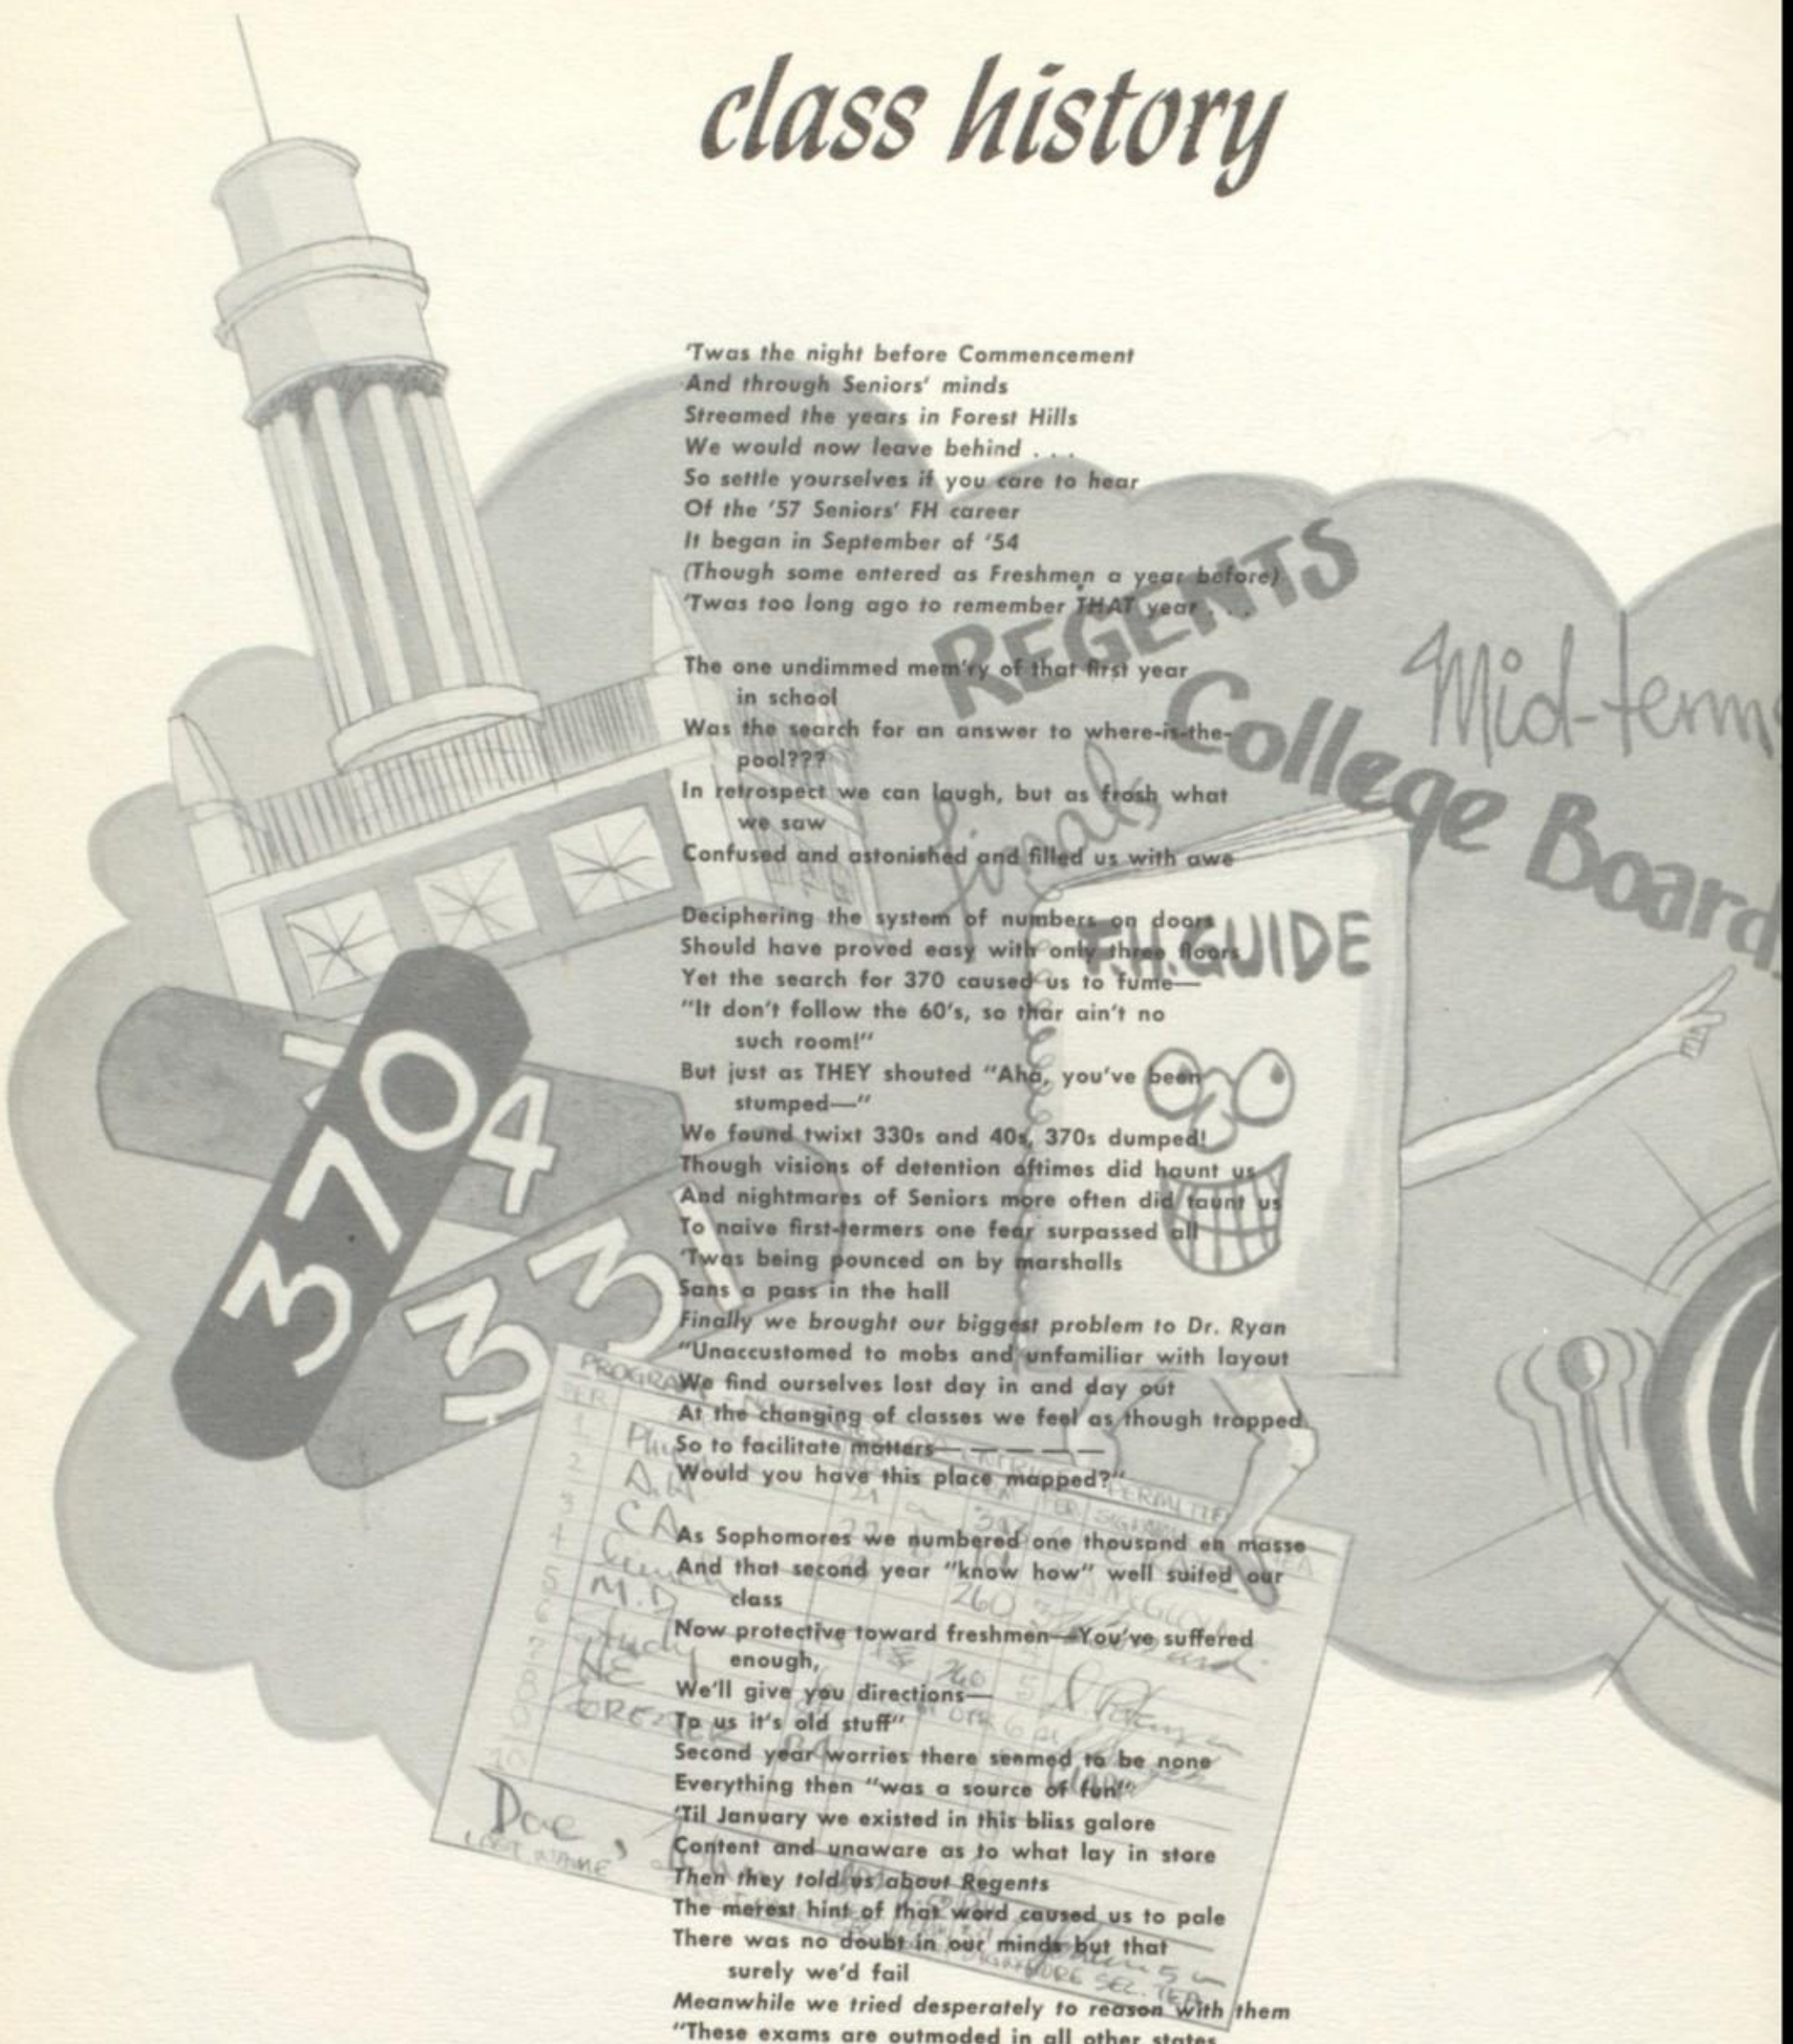
class history



'Twas the night before Commencement
And through Seniors' minds
Streamed the years in Forest Hills
We would now leave behind . . .
So settle yourselves if you care to hear
Of the '57 Seniors' FH career
It began in September of '54
(Though some entered as Freshmen a year before)
'Twas too long ago to remember THAT year . . .

The one undimmed mem'ry of that first year
in school
Was the search for an answer to where-is-the-
pool???
In retrospect we can laugh, but as frosh what
we saw
Confused and astonished and filled us with awe

Deciphering the system of numbers on doors
Should have proved easy with only three floors
Yet the search for 370 caused us to fume—
"It don't follow the 60's, so thar ain't no
such room!"
But just as THEY shouted "Aha, you've been
stumped—"
We found twixt 330s and 40s, 370s dumped!
Though visions of detention oftimes did haunt us
And nightmares of Seniors more often did taunt us
To naive first-termers one fear surpassed all
'Twas being pounced on by marshalls
Sans a pass in the hall
Finally we brought our biggest problem to Dr. Ryan
"Unaccustomed to mobs and unfamiliar with layout
We find ourselves lost day in and day out
At the changing of classes we feel as though trapped
So to facilitate matters— — — — —
Would you have this place mapped?"

As Sophomores we numbered one thousand en masse
And that second year "know how" well suited our
class
Now protective toward freshmen—You've suffered
enough,
We'll give you directions—
To us it's old stuff"
Second year worries there seemed to be none
Everything then "was a source of fun"
'Til January we existed in this bliss galore
Content and unaware as to what lay in store
Then they told us about Regents
The merest hint of that word caused us to pale
There was no doubt in our minds but that
surely we'd fail
Meanwhile we tried desperately to reason with them
"These exams are outmoded in all other states
Get hep New York, they're passé, out of date!"

When we reached the age of Juniors
Our deliverance we saw near
Through halls our famed cry echoed
"Just you wait until NEXT year!"

By this time we'd been exposed to all the people in
Forest Hills including . . .
Mr. Warren who always said
"Many thanks for coming"
And Mr. Meade who introduced
The system known as "thumbing"
And Mr. Kerr who amazed us all
With his plays on the FH stage
And Mr. Wepner's pleasant voice
Turntopageturntopageturntopage . . .
And Mr. Lapp who never failed
To be where least expected
And on Dr. Brandwein's 24 hour day
We thoughtfully reflected

And Mr. Bartlett who made it clear
He preferred bicycle to car
And who thinks of white carnations
Without remembering Dr. Graa?

Then all at once we were Seniors
One thousand one hundred heirs
To failing a subject immunity
Breaking a rule with impunity
And Seniors hats, Senior jewelry and stairs

And with our new Seniority
Came wisdom beyond belief
"Don't worry the school's in good hands now—"
(And Dr. Ryan sighed with relief)
We pretended not to notice
How the freshmen idolized us
And we tried hard to be nonchalant
When noble deeds immortalized us
But even with our modesty
It was obviously true
That a smoothly run FHHS
To us, alone, was due

No one could deny it
It was obviously so—
There was very little in this world
That Seniors didn't know
We knew how to get through the halls without
a written pass
We knew the very latest way of safely cutting
class
The method of avoiding work was well known to us
(Guaranteed effective with a minimum of fuss)
Thus it was quite clear to all
'Twas accepted as a fact
There was obviously nothing
That we as Seniors lacked

Yet this too posed a problem
Causing mental wood to burn
"What will we do for ten months more
If there's nothing left to learn?"

But this business of going to college
Entailed more than was previously planned
No one told us that besides extra-activity
Good marks would be much in demand
So frantically we began to study
Our vocabulary by leaps and bounds grew
Assiduously we studied the most *obsolete* words
We'd never use, but for College Boards knew

There were millions of cards that we had to
fill out
And there were cards that THEY filled out for us
And when we repeated a course for the third straight
term
Didn't it begin to bore us?
Six minute bells, P.A. system bells
Bells for every little thing
Yet we all remember the agony spent
Waiting for those bells to ring

Always clean gym suits (Dior created)
Enduring the exercises (They will make me slim)
Volleyball, deck tennis and shuffleboard in addition
Ah, the trials and torments of gym
But tennis was our forte
Countless tournaments were won
In Forest Hills we literally said
"Tennis anyone?"

Honor societies, Arista, and after school clubs
Play Pro, Beacon deadlines and annual color day
Thirty-cent special raised to thirty-five
And remarks to some teachers we wished we could say
There were mid-terms and finals and the crowded
school bus
Assemblies and elections and basketball games
Button down collars and belts in the back
Elevator passes and puppy-love flames . . .

'Twas the night before Commencement
And through Seniors' minds
Streamed the years in Forest Hills
We would now leave behind . . .
Our ways would soon be parted
And on different roads we'll go
But no matter where or how we'll be
This we will always know—
Regardless of where fate leads us
Or whether dreams this life fulfills
We'll look back and we'll cherish
Those days at Forest Hills . . .

Quintet Makes City Play-offs

Basketball Team—Back Row: Coach Ed Conlon, Mike Weiss, Fred Edelman, Gary Marozas, Gary Baum, Al Hevesi, Steve Schneiderman, Richie Schultz, Stu Hochman, *mgr. Front Row:* Keith Zinn, *mgr.*, Richie Goldstein, Spencer Kent, Stu Schachter, Steve Dunn, Norm Geller, Jeff Weisberg, *mgr.*

BASKETBALL

As a fitting topper to what was probably the best Forest Hills showing in sports in a dozen years—great performances by the soccer, swimming, tennis and fencing squads, the Ranger Basketball team turned in their best season since the days of Connie Simmons, erstwhile Knickerbocker star.

The Tri-color hoopsters dribbled their way to the North Shore Cage Championship and advanced further into City Title play than any Ranger team had since 1943.

The home forces sported a 17-1 over all card in regular season play.

Mike Weiss, a jump-shooting junior, erased Stan Needleman's FHHS single season league scoring record of 234 points by posting 254 markers.

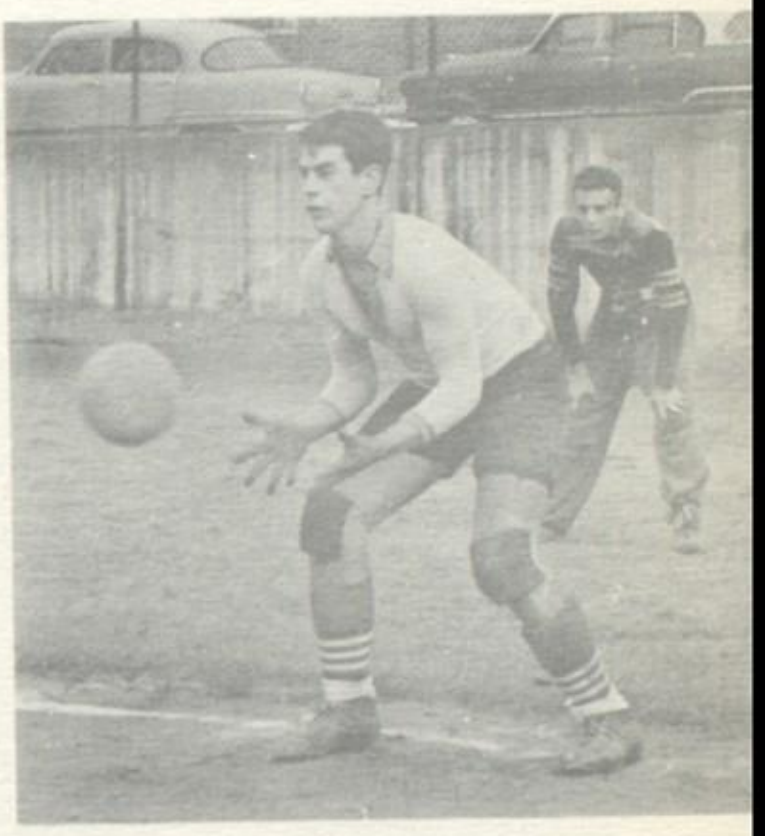
A new Ranger high scoring mark was also entered into the books when Coach Ed Conlan's aggregation notched 99 counters against Edison Vocational.

Captain Gary Baum who was on the FHHS starting quintet fifty-seven consecutive times during his three-year varsity career, Stu Schachter, Gary Morozas, Weiss and either Steve Schneiderman, Steve Dunn, Rich Goldstein, or Al Hevesi comprised the first five. Juniors Norm Geller, Spencer Kent, and Ritchie Schultz also saw action.

Booters Make City Playoffs

SOCCER TEAM

Starting Lineup—L to R: Howard Kolodner, Jorge Pesantes, Louis Gandesequi, Richard Cashmere, Eddie Manousoff, John Vinocur, Camilo Barretto, Carlos Ferrero, Al Hernandez, Frank Urbina



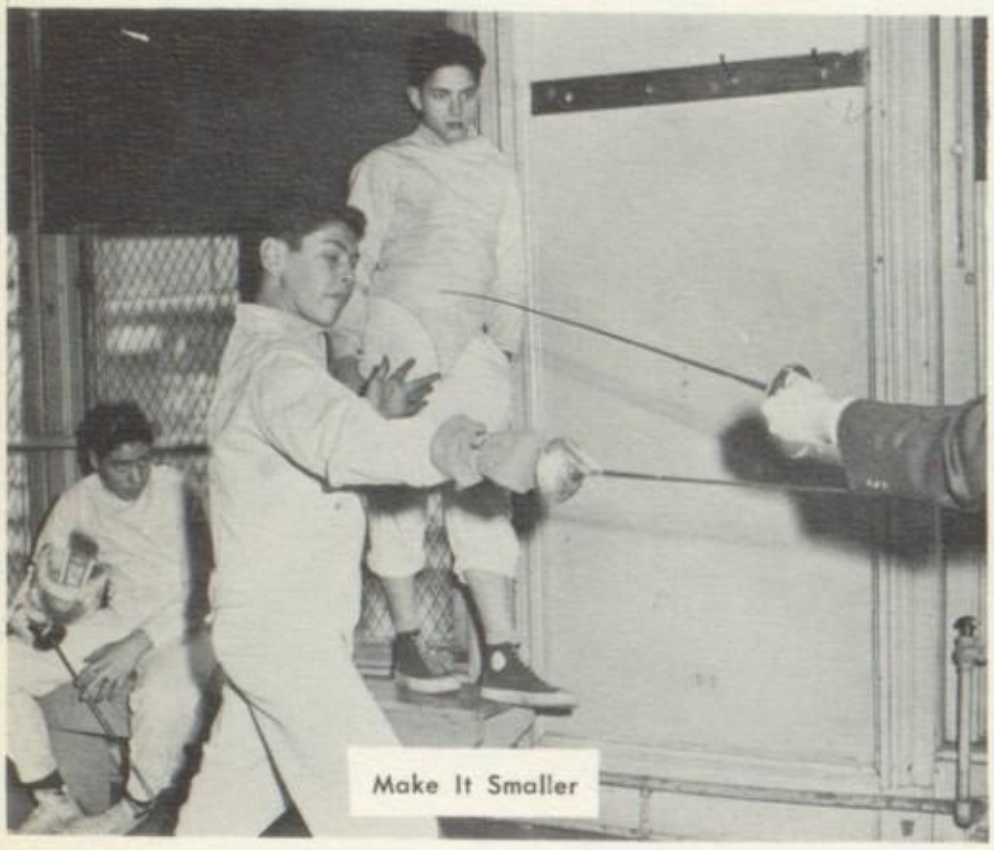
SOCCER

The 1956 edition of the Ranger soccer squad turned out to be the best to represent Forest Hills since 1942, by virtue of their second place finish in the Queens-Brooklyn PSAL League. This finish garnered the booters a berth in the City Championship Playoffs. They succumbed to Brooklyn Tech in the quarter-final round.

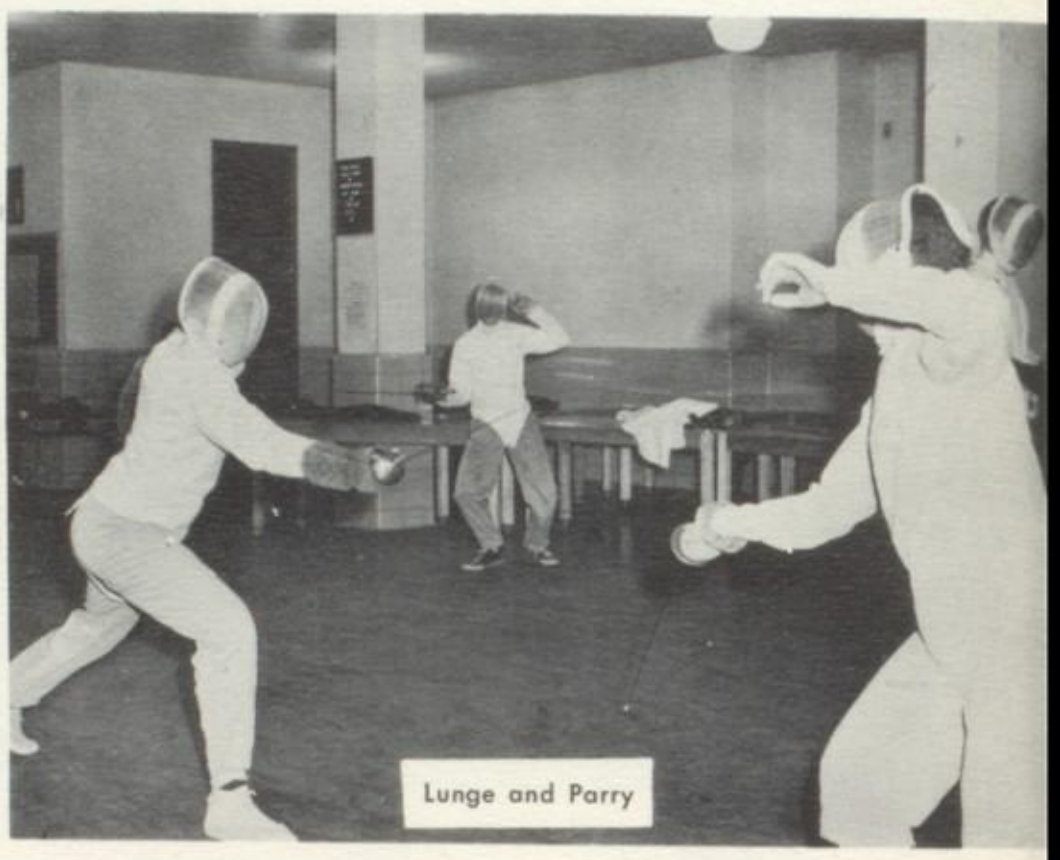
Sparking the Tri-Color was Captain Camilo Barreto who was the terror of the league, netting 25 goals. Stan Kent, a sophomore and Carlos Forero, a junior, along with Barreto, led a potent 1-2-3 punch for the FHHS forward line. Vahram Kervanjian and Ike Sofaer were also starters up front. The capable halfbacks were led by Co-Captain Ed Manousoff, a wily operative at the center slot. His wingmates were Lou Gandesequi and Steve Kirschner. The fullback posts were held down by Kenny Wieck and Karl Combe. Goalkeeper Johnny Vinocur was erratic, flashing brilliance and then going into slumps of sloppy play at times. Other men who saw action were Richie Cashmere, Herb Kahn, George Pesantes, Paul Matz, Jacques Clarke and Howie Kolodner.

Foilsmen Reach City Finals

FENCING TEAM—*Left to Right, Row 1:* Jimmy Applebaum, Daniel Fife, Steven Simpson, Gilroy Chow. *Row 2:* Alan Lichstrahl, Leslie Kroll, Robert Blank, Albert Tosini, Joel Katims. *Row 3:* Gil Eisner, Norman Groosberg, Mr. Ritchie, *Coach;* Gene Glazer, Bill Kao, Mike Jacobs.



Make It Smaller



Lunge and Parry

FENCING

The 1957 Forest Hills Fencing team was the best in the school's history. Led by Gene Glazer, the foilers were impressive both in practice and tournaments.

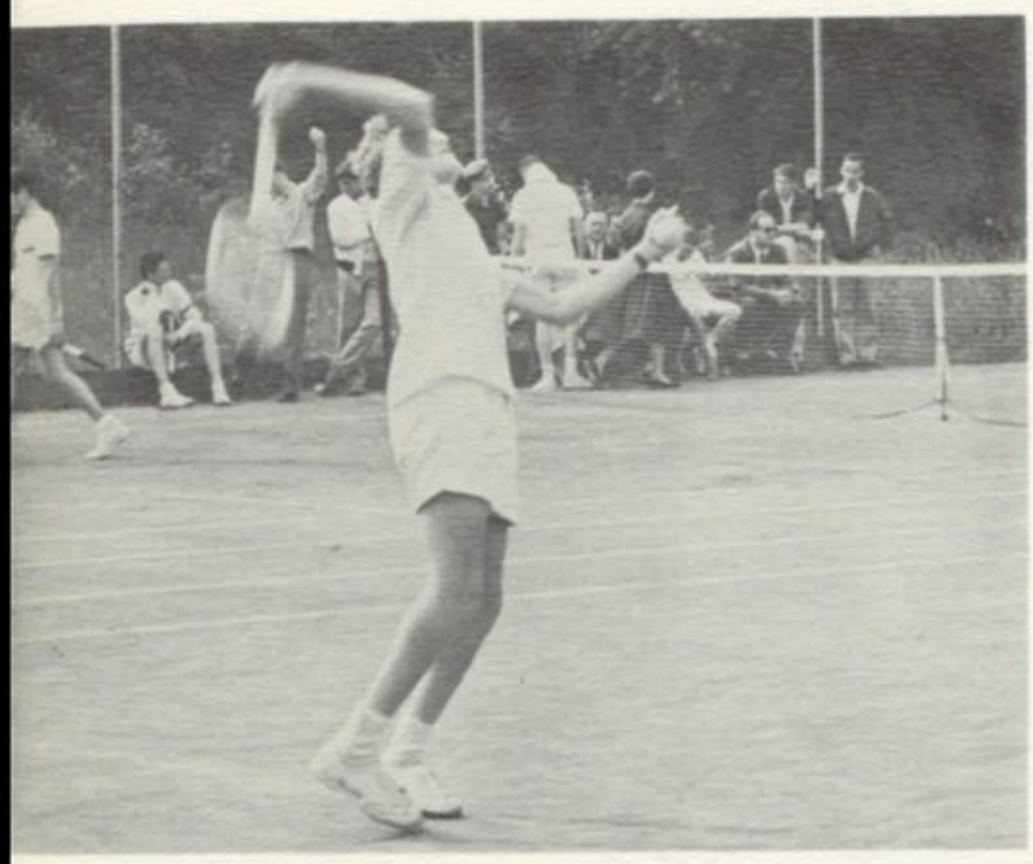
The three man team of Gene Glazer, Gil Eisner and Bill Kao took the A.F.L.A. Tri-State Championship, triumphing over a field of twenty-one teams. In the finals, they edged out a 5-4 victory over Boys High, with Gene Glazer taking the ninth and deciding bout.

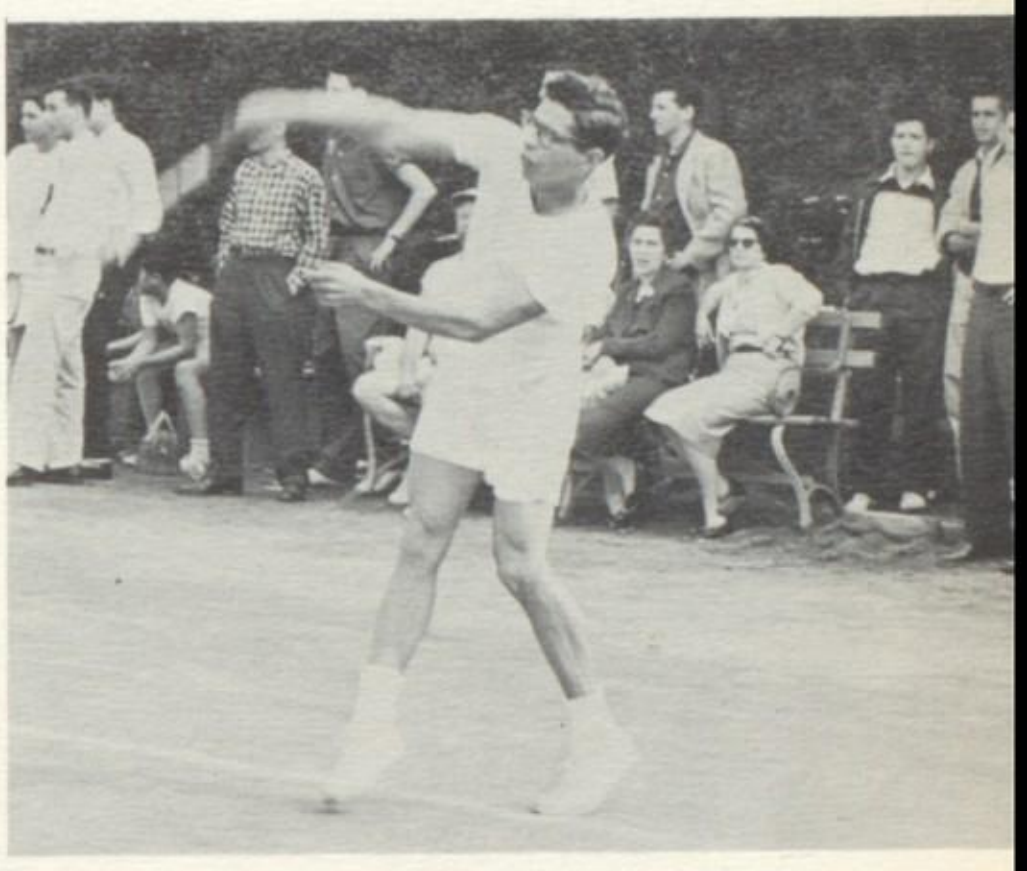
Gene, the A.F.L.A. City and A.F.L.A. Tri-State champion, is regarded by Coach Ritchie as the best fencer he has ever coached at Forest Hills. Other members of the team that set out in quest of the P.S.A.L. City Championship include the aforementioned Eisner, Kao, Dick Merzon, Mike Jacobs and Norman Grossberg.

Success is no stranger to Coach Ritchie, who has placed six teams in the winners' column in the past A.F.L.A. tournaments. At Forest Hills, his teams gained two firsts and a second. While coaching at Erasmus, they achieved one second and two thirds.

Courtmen Ready for Fourth in Row

TENNIS TEAM *L to R Standing:* Bill Hansel; Marty Propper; Larry Berler; Bob Ober; Mr. S. Bernstein, Coach *Seated:* David Fenton, Mgr.; Bob Kornreich; Jerry Cooke; Alan Bronstein; Mike Siegel





TENNIS

The outlook was bright as the Forest Hills netmen began their quest for a fourth straight City Championship.

The Rangers had only two holdovers from last year's team but that didn't dim their prospects for another fine season. Leading this year's edition were Marty Propper who aside from his other assorted chores finds time to act as team captain. The other returnee was Billy Hansel who was playing in the number one slot. Bill won the Max Jacobs memorial tournament last fall, beating Marty in an exciting match.

The other four positions were up for grabs. Among those competing were Larry Berler, Jerry Cook, Larry Siegel, Mike Siegel, Bob Ober and Alan Bronstein. The best of the group appeared to be Berler who advanced to the semi-final round of Jacobs Tournament before bowing to Hansel. Cook also reached the semis before he was toppled by Propper. It was a mad scramble for the doubles team positions.

In Hansel and Propper, the Rangers had one of the best one-two combinations in the city. Berler and Cook appeared equal to any opposition.

Nine Starts Slowly

BASEBALL TEAM *L to R Seated:* Ben Katz; Steve Salup; Howie Mah; Steve Haber; Ira Berman; Joe Goldman; Jerry Sherman; Larry Rosen; Peter Rosen *Standing:* Myron Blatt; Dan Arrutt; Mike Weiss; Howie Gibralter; Ted Schwartz; Art Schwartz; Steve Cayne; Mike Trachter, Len Spolan; Capt., Barry Teller; Marty Haberman; Coach George Lapp

BASEBALL

The 1957 edition of the Ranger Baseball Team went into North Shore league play with an optimistic view on improving their second division finish of 1956.

Sparked by Captain Barry Teller, a hard-hiting backstop-outfielder, the tri-color batting order packed punch. Ted Schwartz, Len Spolan, Steve Cayne, Ben Katz, Howie Gibralter, Jerry Sherman, and Mike Weiss provided adequate coverage for outer gardens and infield.

Arty "Pro" Schwartz, a righty, and Joe Goldman, a stylish portsider, were the bulwarks of Coach Lapp's mound corps.

SWIMMING

After dropping the first meet of the season, the tanksters went on to win five straight meets and finish the season with an impressive 6-2 slate. The mermen emerged as the number two team in Queens swim competition. The aqua-stars were second only to Bayside High who was a bridesmaid only to City Champion Evander Childs High School of the Bronx. This 6-2 seasonal record is the best that a FHHS swim team has ever posted.

The outstanding freestyle swimmer of the team was Captain Bob Muroff. Bob has dominated the fifty yard freestyle event for the last few years. Other fine freestyle swimmers this year were Chuck Deutsch and Richie Brown. Richie Gardiner and Bruce Lemle were the standard bearers in the breaststroke while Pete Nagourney paced the backstrokers. Don Gold and Bob Smuckler were the fancy divers. Coach Mare is looking forward to another successful season next year with the help of such fine swimmers as Richie Royce, Steve Edelson, Steve Kisley, Jeff Metyner, Fred Magdoff, Russel Black, Len Winter and Roger Brent.

SWIMMING TEAM—*Left to Right, Row 1:* Bob Falette, Don Gold, Steve Edelson, Pete Nagourney, Bob Muroff, Richie Rosenberg, Terry Kaufman, Roger Brent. *Row 2:* Frank Adler, Richy Royce, Steve Kisley, Rich Gardiner, Ronnie Berman, Jeff London, Jeff Litt, Rich Weinstien, Allan Jacobs, Rich Brown. *Row 3:* Mr. Mare, *Coach;* George Bauer, Fred Magdoff, Alan Birnbaum, Jeff Metzner, Taylor Loop, Bill Klausner, Lennie Winter, Bruce Lemle, Chuck Deutch, Russel Black, Roger Connell, Bob Schumlker.

Golfers Try Again

After a highly successful season in '56, with only one defeat in league competition, the Forest Hills Golf Team once again started another season in its quest of its first (league) championship. Our only loss last year came at the hands of Bayside, always a powerhouse in Golf. The entire team was eager for revenge and, with both Bayside's and Forest Hill's teams returning intact, it promised to be exciting.

The Rangers who played in '57 were: Bob Anderman, Warren Ashmann, Mike Drucker, Lenny Farber, Steve Haas, Steve Kahan, Ed Koster, Bob Ober, and Buddy Soloff. They were under the tutelage of Mr. Joseph Herschel.

Wallmen Try for Repeat

The wallmen of Forest Hills are like "Old Faithful." Although they display their power continuously they don't attract a large group of followers, because their eruptions are taken for granted.

The top-drawer tutelage of capable coach J. R. Tuzza seems to bring out the best in players.

The handballers owe a good measure of their success to Co-Captains Gilbert and Sheldon. turning intact, it promised to be exciting.

Those two boys, back from last year's team, made victory an expected result because of their astonishing play. The other member of the "Top-Notch Trio," Jodie Shames, was also a returnee from last year's team. Among the newcomers that helped to move the team into its deluge of demonstrating victories were Jack Samet and Bob Modlin.

Trackmen

Starting off slowly, our cross country team improved with each race, until it reached its apex by finishing twelfth in a field of almost sixty schools represented in the P.S.A.L. City Championship.

The team was led over the two and one half mile course through Van Cortlandt Park by co-captains Larry Siegel and Walter Robbins.

Surprise varsity runners were Bob Reis, Myron Nack, and Ben Kupersmith. Rounding out the squad were Bob Fish, Herb Kaplan, Gene Sapadin, Charley Sheldon and Steve Levitt.

Steve Salup and Dave Milder turned in fine clockings in the 60-yard dash, while Steve Levitt and Marc Moller were responsible for many close team victories by their efforts in the 220. In the 440-yard run, Herb Kaplan, along with Gene Sapadin and Joe Osipow, always placed high. These seven boys composed the half-mile and mile relay quartets.

Forest Hills continued its domination of the middle distance events through the fine running of Larry Siegel and Walter Robbins, who always turned in excellent results.

Bowling Team—Back Row, Left to Right: Bob Ellison, Frank Baudo, Frank Gibralter, Dave Schenker, *Mgr.*, Larry Rosen, Mr. Spata, *Coach. Bottom Row:* Charles Lingle, Bob Topper. *Missing:* Harvey Brice, Lenny Spolan.

Bowlers Take Second

City Champs in '56, the Forest Hills High bowling team placed second in North Queens behind Bayside. Eventual city rulers. The Rangers ended their season with a record of eight wins and three losses. Two of the defeats were at the hands of the Commodores, while the third was administered by Brooklyn Tech in an exhibition match.

The starting Tri-Color foursome was headed by top average men, Bop Topper, and Charley Lingle. Howie Gibralter and Captain Len Spolan rounded Coach Nick Spata's first team. Harvey Brice, Jeff Weiss and Herb Stofsky also saw considerable action. Other keglers meriting Varsity letters were Frank Bardo, Bob Elison and Manager Dave Schenker.

Larry Rosen, Myron Olinsky, Pat Edwards, Dick Sommerman and Mike Trachter made up the able JV that will scrap for starting positions in '58.

life and times

THE ENDLESS ATTIRES

Thru our three or four year stay,
Hillites' styles have led the way,
Let's review the many fads
From dirty bucks to belts in plaids.

The boys had passed the white-duck stage,
The girls just joined the Bermuda craze,
With dimpled knees seen stark and bare
Knitting bags were everywhere.

The argyle sock made its debut
Wool knee socks and white bucks too,
In keeping with this manly air,
Girls began to cut their hair.
Welcome poodle, Italian, and the like
Pony tails had gone on strike.

Crinolines were still in bloom,
At a dance, boys had no room,
Layer on layer, piled on high,
When one fell you'd almost die!

The V-neck sweater took its place
In the fast and furious race,
Along with bucks in any hue,
Greens and pinks, blacks and blue.

Soon some genius, (or a whack)
Started the crazy "belt in back"
A belt on shirt or skirt or hood,
Where a belt could do no good.

Plaid belts soon bedecked each waist
Button down collars—the newest taste.
Sweaters growing higher, higher,
Crew necks were the new desire.
And for the many feet,
Sneakers and saddles couldn't be beat.

Now we're finally up to date,
There must be something new of late,
With each fad the secret spills,
First and foremost at Forest Hills.

The world in part is humans;
Humans in part are youths;
Youths in part are scholars;
Scholars must go to school.
Schools in part are high schools;
High Schools in part—Forest
Hills.

Forest Hills is in part,
Familiar people:
Nomi Mitty and her long pony tail;
Harvey Brice and his crew-necked sweaters;
Jack Samet and his agenda for the G.O. Council meeting;

Myrna Danenberg and her friendly smile;
Sue Sternblitz and her dimple;
Bob Weiner and his piano.

Forest Hills is in part, opposites:
Gary Morozas' 6'6" and Arlene Frankel's 4'11";
The blondness of Pia Tekkel's hair and the darkness of Sylvia Bloch's;
Ellen Mutterperl's bouncy walk and Linda Kanner's slow one;
Marc Moller's deep rich voice and Arlene Baker's high, gleeful one.

Forest Hills is in part, workers:

Nanci Chartoff from the uniformed Boosters;

Fran Ach from P.O.D.;

Carol Dinnes from the Beacon;

Rosalie Katz from Play Pro;

Bob Muroff from the swimming team;

Roz Brenner from the G.O.;

Sue Stiepleman from the Forester;

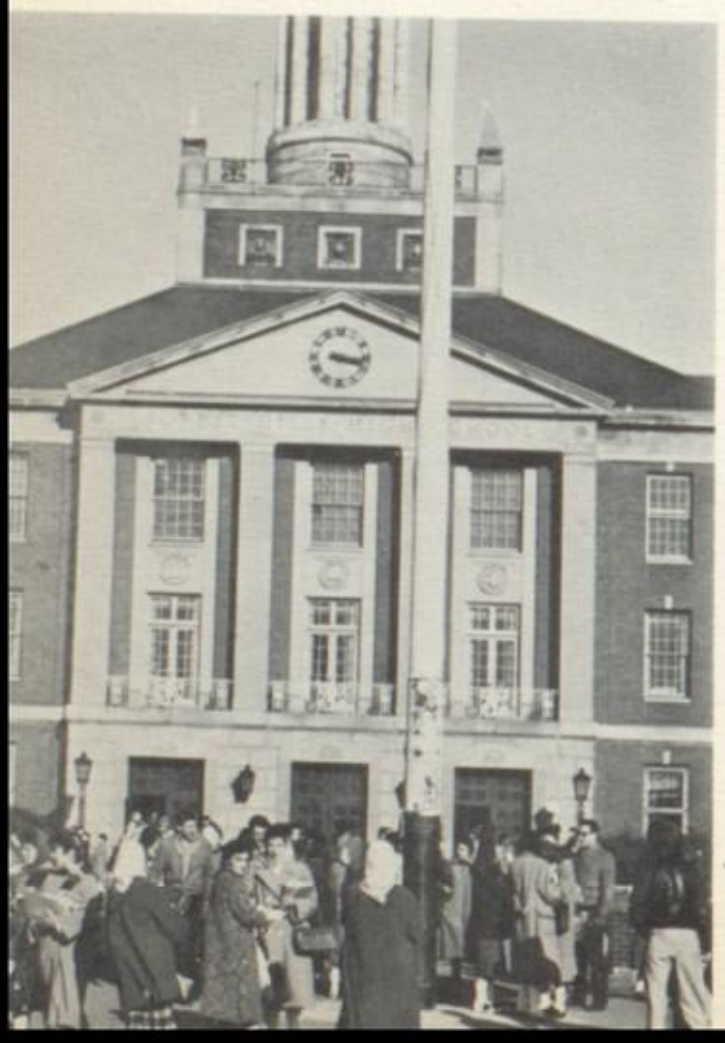
Malcolm Knapp from the Program Office.

Forest Hills is in part, sounds:

The sound of the bell ending the last period of the last day before Christmas vacation;

The sound of the cheerleaders shouting, "Let's go Forest Hills, let's go";

The sound of Dr. Ryan announcing the license plate number of a delinquent car over the P.A. system.



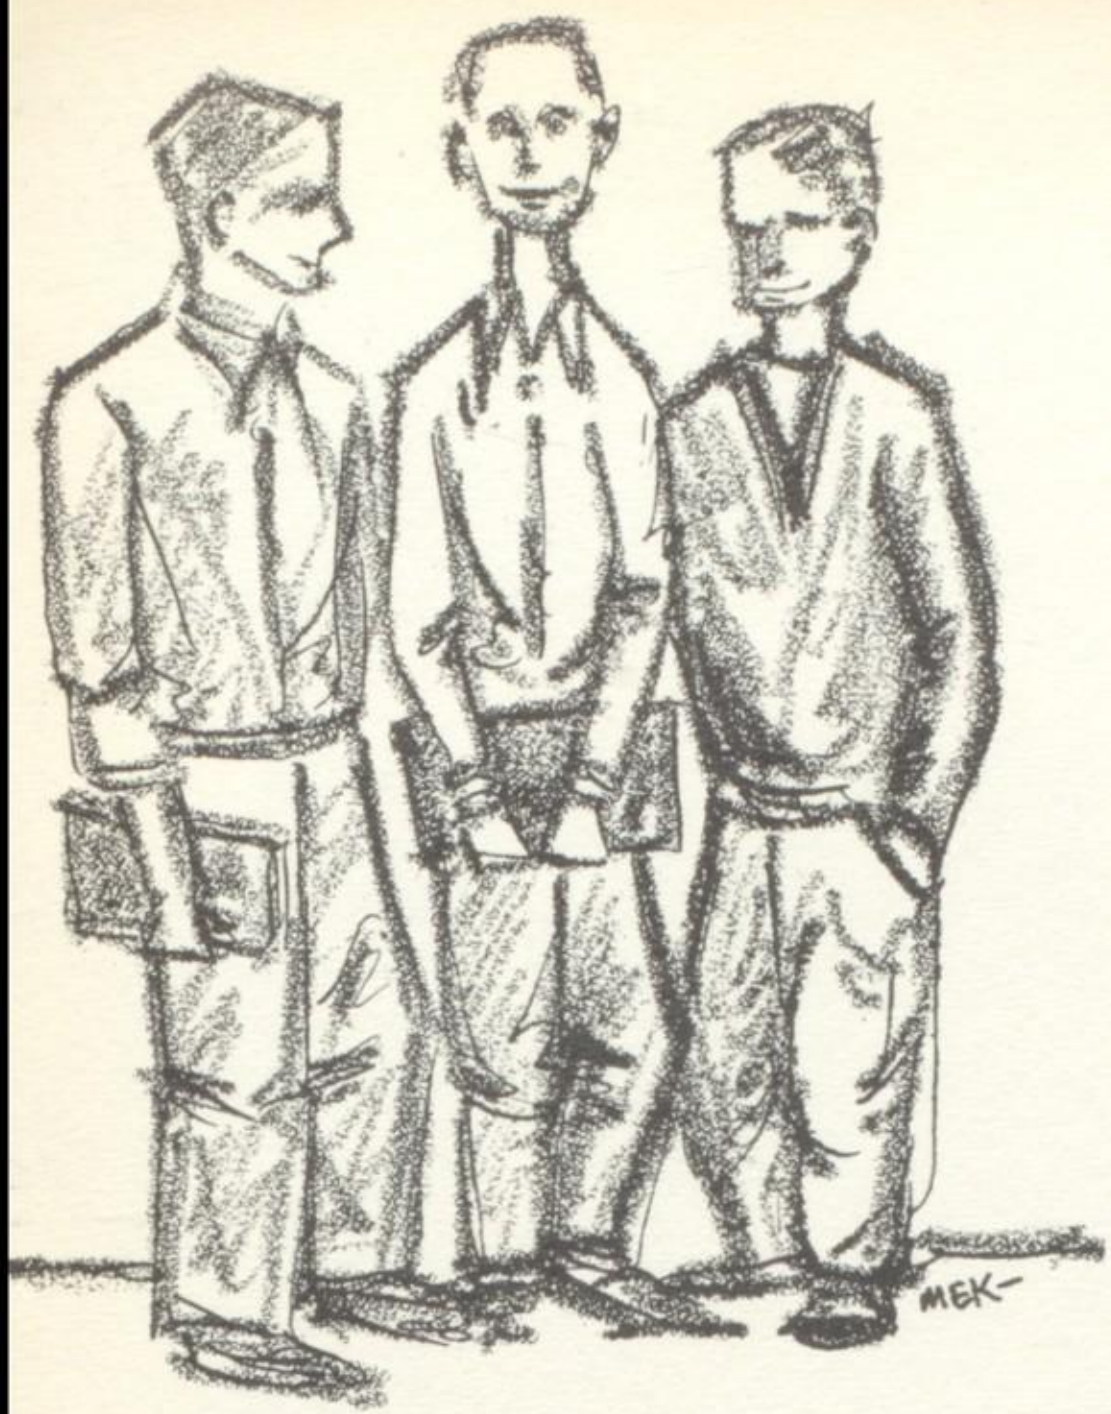
Forest Hills is in part, landmarks:

The bronze compass in the front foyer;

The alabaster, and very often not entirely senior, Senior Staircase;

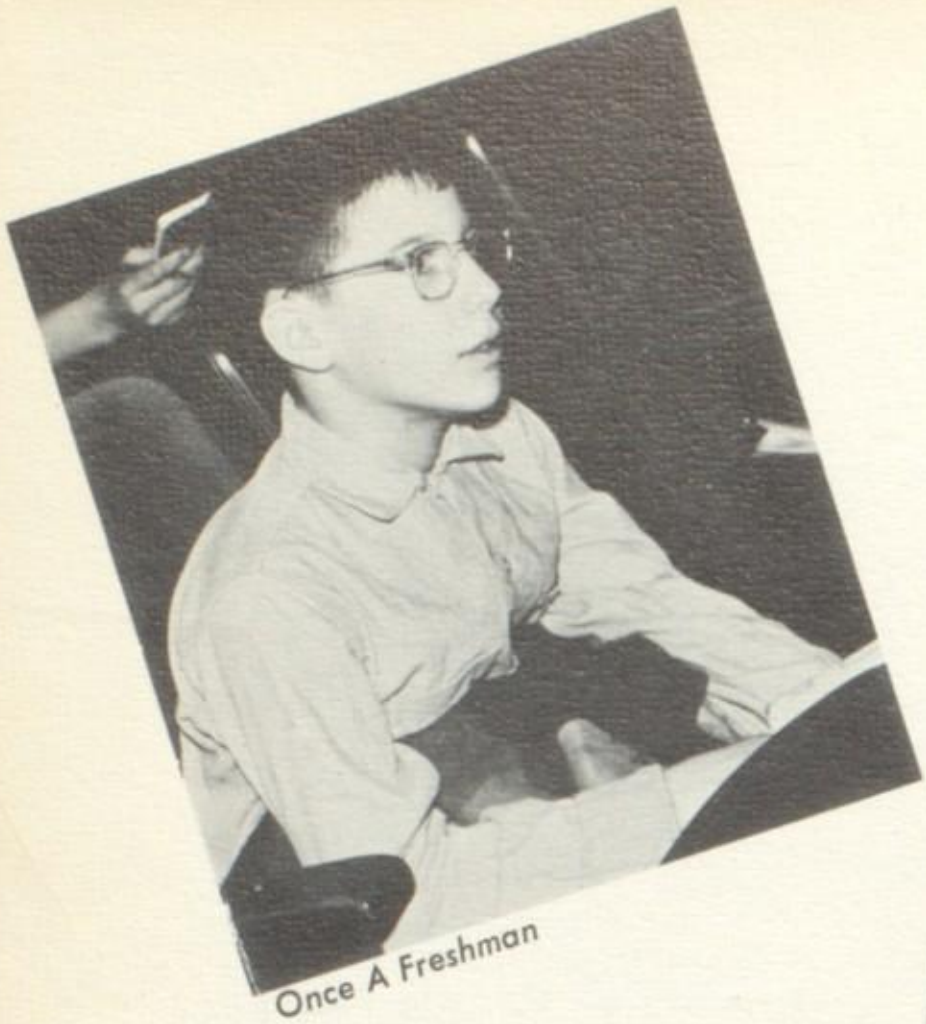
The lost-and-found, where you can find things that you never knew you lost;

The Emergency Room, where it is possible to contract almost any illness your heart desires.



Forest Hills is in part, scholars:
Grace Geist topping everybody;
John Merey introducing Norman Thomas;
Marty Propper presiding over the Language Honor Society;
Eleanor Schuker steering every honor society;
Kung Yao and Howard Gillary demonstrating that physics can be simple;
Sylvia Tanford speaking any language like a native;
Kay Sprenk and the Westinghouse award;
Jonathan Ginsburg running the "math problem of the week" contest.

Forest Hills is in part, teachers:
Mr. Stark and his numerous, welcome jokes;
Mr. Plotkin and his intriguing moustache;
Mr. Kerr and his "Project!!!";
Miss McGrover and the new wedding band that makes her the second Mrs. Burns in FHHS;
Mr. Carter always hoping for that 100% G.O. membership;
Mr. Roemer, the guardian of Senior dues . . . and their disposal;
Mr. Kernan of the nomadic life— from 121 to B4 to 121 again;
Dr. Entin, concerned with deadlines, loves "responsible" students.



Once A Freshman

Forest Hills is in entirety, you:

At the beginning, a Freshman, wishing yourself back in public school;

At the half-way mark, bored to death with lessons, work, all of school;

At the end, the true beginning; with life ahead of you filled with plans and ideas, and life behind you filled with memories of Forest Hills.

Library

You tip-toe into the library without a sound,
You seat yourself, and then you're catalog bound.
You look under French for a Spanish book you crave,
While Mr. Dewey Decimal turns over in his grave.

You return with your book like a good samaritan.
"Ah! This is the book!" you impulsively shout,
And the teacher in charge politely kicks you out.

Farewell, See You at Alumni Night

In Memoriam

The students and faculty of Forest Hills High School came back to school one Monday morning in February, to receive the shocking news that Miss Gladys B. Smiley, beloved member of our English department, had died over the weekend. It was hard to believe that we would never again see this vibrant person, nor would we hear her cheery "hello" as she greeted us while rushing through the halls. With Miss Smiley as the teacher, we looked forward to English with a thirst that could only be quenched by her unique lessons, as an exhausted man's thirst can only be quenched by water. Miss Smiley was never too busy to answer a question, whether it was in front of the class or privately after the bell rang. It was this personal interest among all these other things that endeared her to us all the more. No, Forest Hills will never forget this vivacious personality, loving character, and wonderful teacher. Miss Smiley will always remain in our hearts.

THE EDUCATION LOAN PLAN

A low-cost, pay-as-you-go plan for financing tuition and all other educational costs

Will your tuition bill always come at the "wrong" time when there are a dozen or more other bills competing for your bank balance? Meeting your son's or daughter's tuition costs quarterly or semi-annually is not always easy or convenient.

That is why Manufacturers Trust Company, through its Education Loan Plan, offers a student's family the opportunity to pay tuition costs (Private Schools, Preparatory, Vocational or other Specialized Schools, Colleges or Universities) on a pay-as-you-go basis.

You can now arrange for a Personal Loan which will permit you to pay for a full year's tuition in cash, and re-pay the loan in 12 convenient monthly installments.

If you have savings, keep them. Once used, the chances are you'll never put the money back. There'll always be some good reason for spending it. Your only cost is $4.25 per $100, including life insurance.

The life insurance feature is an important consideration because it means that if anything should happen to you, the borrower — a student's father, for example — the insurance would cover the unpaid balance of the loan.

You are cordially invited to apply for an Education Loan at any one of our 112 convenient offices throughout Greater New York. Look in the telephone book for addresses, or call HAnover 2-1100.
